

Thank you!

As usual we've torn through the Fall season! Take careful note of your holiday dates, which differ between our two locations (Oakwood and Lawrence Park). Remember also that we do teach at Oakwood on the first Saturday and Sunday of March Break. Have a great Holiday break!

Thanks also to our excellent teachers for getting the students ready! We'll look forward to hearing from you all again at the **2019 Spring Recital - currently scheduled for Sunday, May 12th!**

HOLIDAY PRACTICING **Makes A Difference**

Any time there is an extended holiday, don't forget to make an effort to - at the very least - get some maintenance work from your teacher to keep skills fresh and maintained. Better yet, take the time to plan a small increase in the time spent daily in your practicing to get ahead. Ask your teacher for guidance on this.

This is great for self-confidence, and a great way to keep kids occupied during holidays while stimulating them.
